

Category (科目区分)	Cluster common basic subjects		
Course Title (授業科目名)	Clinicopathological Conference		
Instructors (担当者名)	Yasufumi Omori	Academic Year (配当年次)	Years 1 and 2
Required Course / Elective Course (必修/選択)	Elective Course	Credits (単位数)	1
Class Format (授業形態)	Conference		
Schedule (開講期間)	All through the year		
Class Date/Period (開講曜日・時間)	2 or 3 Thursdays per month (The schedule is posted on buletin boards)		
Course Outline/ Course Objectives (授業の概要・到達目標)			
Aims: Verifying the relevancy of clinical diagnosis and treatment and understanding the procedures and the methods for analyzing antemortem pathophysiology in each autopsy case. Objectives: To understand the clinical course and the maroscopic, microscopic, molecular pathological findings in each autopsy case. To participate actively in dicussion between clinicians and pathologists. Outline: Several cases autopsied in Akita University Hospital are presented at a conference as follows. 1. Presentation of a summarized clinical couose of each autopsy case 2. Presentation of laboratory data and image findings 3. Presentation of macroscopic findings on autopsied organs 4. Presentation of histological findings 5. Explanation on molecular pathological analysis 6. Discussion on antemortem pathophysiology 7. Discussion on the cause of death			
Course Planning (授業計画)			
	Course Outline/ Course Objectives(授業の概要及び到達目標) (Contents of Class) ((授業内容))	Instructor (担当教員名)	Department (講座名) Class Room [実施場所]
1	Presentation of a summarized clinical couose of each autopsy case	Physicians in charge and pathologists involved in each aytopsy case	Department of Molecular Pathology and Tumor Pathology [Reserch Building for Basic Medicine 2F, Conference Room 2 or online through ZOOM]
2	Presentation of laboratory data and image findings		
3	Presentation of macroscopic findings on autopsied organs		
4	Presentation of histological findings		
5	Explanation on molecular pathological analysis		
6	Discussion on antemortem pathophysiology		
7	Discussion on the cause of death		
Grading Criteria (成績評価の基準と方法)			
The grades are determined by the frequency of presence at the conference and the quality of discussion presented by each student.

Coment (その他特記事項)			
Remarks: Working students, due to their duties, may not be allowed to be present at our scheduled session. We will thus be pleased to arrange a schedule flexibly in their favor. Textbooks and reference literatures: When necessary, our handouts will be provided. Helpful reference literatures will be suggested. Subjects for self-learning: Students are expected to prepare for each session according to the course outline and objectives.
