

Category (科目区分)	Cluster of Pathology and Pathology System		
Course Title (授業科目名)	Perinatal pathology and practice		
Instructors (担当者名)	Yukihiro Terada	Academic Year (配当年次)	1
Required Course / Elective Course (必修/選択)	Elective	Credits (単位数)	1
Class Format (授業形態)	Lecture		
Schedule (開講期間)	Students will be notified by email after completing course registration.		
Class Date/Period (開講曜日・時間)	Students will be notified by email after completing course registration.		
Course Outline/ Course Objectives (授業の概要・到達目標)			
Purpose of class: Perinatal medicine is "maternal and infant medicine", and it is a vast medicine that adds "fetal medicine" to the conventional "obstetrics". It is. Especially for the fetal medicine, there are many unknown areas, and it can be said that it is a developing medicine. For fetal diseases, starting with fetal development and development, for the pathophysiology, diagnosis, and cutting-edge fetal treatment The purpose is to learn everything. Achievement goal of the lesson: In the practical training, the fetal observation and evaluation are actually performed mainly by using ultrasonic tomography (including blood Doppler and 3D / 4D). Class outline: 1,2. What is reproduction? The flow of life that never disappears 3,4. Fetal growth monitoring practice 5,6. Perinatal complications 7,8. The future of perinatal care			
Course Planning (授業計画)			
	Course Outline/ Course Objectives (授業の概要及び到達目標) (Contents of Class) (授業内容)	Instructor (担当教員名)	Department (講座名) Class Room [実施場所]
1	What is reproduction? The flow of life that never disappears	Yukihiro Terada	Department of Obstetrics and Gynecology [ medical office ]
2			
3	Fetal growth monitoring practice	Hiroshi Miura	
4			
5	Perinatal complications	Hiroshi Miura	
6			
7	Perinatal complications	Hiroshi Miura	
8			
9	The future of perinatal care	Hiroshi Miura	
10			
Grading Criteria (成績評価の基準と方法)			
The course consists of 45 hours: 30 hours of practical training in the lecture hall (laboratory) and 15 hours of self-study. Evaluation is based on attendance in class, the The content of the submitted reports will be used.
