Course Planning (授業計画)			
	Course Outline/ Course Objectives (授業の概要及び到達目標) (Contents of Class) (授業内容)	Instructor (担当教員名)	Department (講座名) Class Room [実施場所]
1	Diagnostic radiology	Naoko Mori	Radiology [Conference room]
2			
3			
4			
5			
6			
7			
8	Radiation Oncology	Noriko Takagi	Radiology [Conference room]
9			
10			
11			
12			
13			
14			
15			
Grading Criteria (成績評価の基準と方法)			
Attendance, attitude, report.			
Contact Information (問い合わせ先(氏名, メールアドレス等))			
Name: Naoko Mori / E-mail: nmori@med.akita-u.ac.jp			
Comment (その他特記事項)			
Information about courses: If you cannot attend the training due to work, such as a graduate student who is a member of society, we will adjust the schedule. Textbooks / References: Distribute materials as needed. Alternatively, specify the document. Self-study content during self-study time: It is desirable to carry out preparatory learning according to the goals to be achieved and the content of the lesson.
